- 8) Displaying of Banners etc. on Swachhata.
- 9) Weeding out / recording of the old files
- 10) Removal of all kind of waste material like broken furniture, unusable equipments etc.
- 11) Observation of “Swachh Day” on specific dates by carrying out cleanliness activities in campus area.
- 12) Steps to be taken to make necessary amendments in the curricula at educational institutions to provide credit to the student’s practical projects on recycling and

In Seminar Hall, All students and staff members have gathered and asked them to take pledge and oath related ‘**making clean India free from littering is our responsibility and we will surely follow it**’.

Students were asked to gather in the seminar hall where they have conducted a group discussion and presented their view on the cleanliness. Through GD they have come up with so many hidden things where common person of India is making littering. Then they have also discussed about the sanitization process and ask students about the health and hygiene. They were shocked that 90% of diseases will be just due to dirtiness. They have also discussed about remedy for the discussed issues.
